S1: Hi, you've reached Amelia Young's voice mail, I'm currently away or busy, so, leave your message after the beep.

[beep]

S2: Hi, Amy, uh... I was calling to check on Davy and Georgie. Um. I know you're busy, but- well, I'm assuming they're- that everything's okay. I trust that they're fine with you, but I'm still not really entirely convinced with your cats and- and all that [laugh]. So, um. Let me know how's everything, you can just send a message, if you want. And I'm doing fine, so don't worry about me. Alright. Okay, um- I'll see you then, bye.
